On behalf of Elias Motsoaledi Local Municipality, I extend my heartfelt and warm wishes to our residents and indeed all South Africans that are celebrating Easter, a period of religious significance to millions of are around the world.

This is also a time when many spend precious time with friends, family and loved ones. As we gather in our respective churches and synagogues over this period, lets us pray for peace, harmony, unity and prosperity for our Municipality and our country. Let us not forget to pray for an end to the social ills that are troubling our nation such as rape and murder of innocent woman and children.

I make a humble appeal to all road user –motorist and pedestrians alike, to exercise care and help law-enforcement agencies reduce the carnage on our roads and prevent the unnecessary loss of live. Remember that reckless driving, speed, drunken driving and walking as well as fatigue are the main causes of deaths on our roads.

I wish all the residents of our esteemed Municipality and all our visitors a happy and peaceful Easter long weekend.
