19 October 2017

Attention: Mr. S Makua – smakua@emlm.gov.za
Communications, Elias Motsoaledi Local Municipality

**WORKSHOP ON THE AMENDMENT OF THE NATIONAL LOTTERY ACT OF 2013 BY THE
DEPARTMENT OF TRADE AND INDUSTRY**

Parliament has passed the Amendment of the National Lottery Act of 2013 to effectively and efficiently administer the Lottery Funds, and fast track the process of the applications for funds to needy organizations. **the dti** has embarked on a campaign to make the public aware of the Amendment to the National Lottery Act so as to educate them about the provision of the Act. It is stated that Limpopo is one of the provinces that has not tapped into the Lottery fund in the past, and this is an opportunity for prospective beneficiaries to be part of the workshop in Groblersdal area, Elias Motsoaledi Local Municipality.

Groblersdal and surrounding areas have been identified as areas that **the dti** will be consulting on **10 November 2017** from **10:00 - 13:00** (*venue to be confirmed with your assistance*). We therefore request your office to assist in securing a venue, and assist in the mobilization of the following - NGOs, NPOs, School Sports, Cultural Groups – these will include crèches, old age, soup kitchens, hospices and others. Department of Social Development in the municipality has a list of these organizations and can assist in providing the lists.

Your assistance is highly appreciated.

Kind regards,

.....
Mr. Brian Koma - Marketing, Communication and Stakeholder Engagement
