- 3.2 The Parties will review the provisions of this Agreement during June each year. The parties will conclude a new performance agreement that replaces this Agreement at least once a year by not later than July each year as prescribed by s57(2)(a) of the Systems Act.
- 3.3 This Agreement will terminate on the termination of the Employee's Contract of Employment for any reason as provided for in the Contract of Employment.

- 3.5 If at any time during the validity of this Agreement the work environment alters (whether as a result of government or Council decision or otherwise) to an extent that the contents of this Agreement are no longer appropriate, the contents shall immediately be revised.

4. PERFORMANCE OBJECTIVES

- 4.1 Annexure "A", the Performance Plan sets out:
- 4.1.1 the performance indicators and targets that must be met by the Employee; and
- 4.1.2 the time frames within which those performance indicators and targets must be met.
- 4.2 The performance indicators and targets reflected in Annexure "A" are set by the Employer in consultation with the Employee, and include key objectives; key performance indicators; target dates and weightings.
- 4.3 The key objectives describe the main tasks that need to be done. The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved. The target dates describe the timeframe in which the work must be achieved. The weightings show the relative importance of the key objectives to each other.
- 4.4 The Employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the Municipality's IDP.
- 4.5 The Municipality will make available to the Employee such subordinate employees as the Employee may reasonably require from time to time to assist him to meet the performance objectives and targets established in terms of this Agreement; provided that it will at all times remain the responsibility of the Employee to ensure that she complies with those performance obligations and targets.
- 4.6 The Employee will at his request be delegated such powers by the Employer as may in the discretion of the Municipality be reasonably required from time to time to enable him to meet the performance objectives and targets established in terms of this Agreement.

5. PERFORMANCE MANAGEMENT SYSTEM

- 5.1 The Employee agrees to participate in the performance management system that the Municipality adopts or introduces for the management of the Municipality and its staff.
- 5.2 The Employee accepts that the purpose of the performance management system will be to provide a comprehensive system with specific performance standards to assist the Municipality, management and municipal staff to perform to the standards required.

- 5.3 The Employer will consult the Employee about the specific performance standards that will be included in the performance management system as applicable to the Employee.
- 5.4 The employee undertakes to actively focus towards the promotion and implementation of the Key Performance Areas (KPAs) (including special projects relevant to the employee's responsibilities) within the local government framework.
- 5.5 The criteria upon which the performance of the employee must be assessed consist of two components, both of which must be contained in the performance agreement. The employee must be assessed against both components, with a weighting of 80:20 allocated to the Key Performance Areas (KPAs) and Core Competency Requirements (CCRs) respectively. Each area of assessment will be weighted and will contribute a specific part to the total score. KPAs covering the main areas of work will account for 80% and CCRs will account for 20% of the final assessment.
- 5.6 The Employee's assessment will be based on his or her performance in terms of the outputs/outcomes (performance indicators) identified as per the performance plan which are linked to the KPA's, which constitute 80% of the overall assessment result as per the weightings agreed to between the employer and employee:

Spatial Rationale	
Municipal Institutional Development and Transformation	
Basic Service Delivery	90
Local Economic Development	
Municipal Financial Viability and Management	10
Good Governance and Public Participation

- 5.7 The CCRs will make up the other 20% of the Employee's assessment score. CCRs that are deemed to be most critical for the employee's specific job should be selected from the list below as agreed to be between the Employer and the Employee and must be considered with due regard to the proficiency level agreed to:

6. EVALUATING PERFORMANCE

6.1 Annexure "A" to this Agreement sets out:

6.1.1 the standards and procedures for evaluating the Employee's performance; and

6.1.2 the intervals for the evaluation of the Employee's performance.

6.2 Despite the establishment of agreed intervals for evaluation, the Employer may, in addition, review the Employee's performance at any stage while the Contract of Employment remains in force.

6.3 Personal growth and development needs identified during any performance review discussion must be documented and, where possible, actions agreed.

6.4 The annual performance appraisals must involve:

(a) Assessment of the achievement of results as outlined in the performance plan:

(i) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.

Ann *GM* *ME* *BM* *9-12*

- (ii) An indicative rating on the five-point scale should be provided for each KPA
- (iii) The applicable assessment rating calculator must then be used to add the scores and calculate a final score.
- (b) Assessment of the CCRs
 - (i) Each CCR should be assessed according to the extent to which the specified standards have been met.
 - (ii) An indicative rating on the five-point scale should be provided for each CCR
 - (iii) This rating should be multiplied by the weighting given to each CCR during the contracting process, to provide a score.
 - (iv) The applicable assessment rating calculator must then be used to add the scores and calculate a final CCR score.

Overall Rating

- (i) An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisals.
- (ii) The assessment of the performance of the employee will be based on the following rating scale for KPA's and CCR's (i.e the following table will be used in determining the payment of the reward):

PERFORMANCE APPRAISAL OF KPAs AND CCRs				
LEVEL	DESCRIPTION	RATING	ASSESSMENT SCORE	PERFORMANCE BONUS RATIOS
Level 5: Outstanding Performance	Performance far exceeds the standard expected for the job in all areas of the manager. The manager has achieved exceptional results against all performance criteria and indicators specified in the Performance Plan and maintained this in all areas of responsibility throughout the year.	5	75 – 100	<p>Maximum bonus allowed i.to. Regulations is between 10% and 14% of person's inclusive annual remuneration package</p> <p>The % as determined per Council Resolution is as follows:</p> <p>75 – 76% =10%</p> <p>77 – 78% =11%</p> <p>79 – 80% =12%</p> <p>81 – 84% =13%</p> <p>85 – 100% = 14%</p>

Level 4: Performance significantly above expectations	Performance is significantly higher than the standard expected for the job in all areas. The manager has achieved above fully effective results against more than half of the performance criteria and indicators specified in the Performance Plan and fully achieved all others throughout the year.	4	65 – 74	<p>Maximum bonus allowed ito. Regulations is between 5% and 9% of person's inclusive annual remuneration package</p> <p>The % as determined per Council Resolution is as follows:</p> <p>65 – 66%=5%</p> <p>67 – 68%=6%</p> <p>69 –70% = 7%</p> <p>71-72% =8%</p> <p>73 – 74% =9%</p>
Level 3: Fully effective	Performance fully meets the standard expected for the job in all areas. The manager has achieved effective results against all significant performance criteria and indicators specified in the Performance Plan and may have achieved results significantly above expectations in one or two less significant areas throughout the year.	3	51 – 64	No bonus
Level 2: Performance not fully satisfactory	Performance is below the standard required for the job in key areas. The manager has achieved adequate results against many key performance criteria and indicators specified in the Performance Plan but did not fully achieved adequate results against others during the course of the year. Improvement in these areas is necessary to bring performance up to the standard expected.	2	31 – 50	No bonus

Level 1: Unacceptable performance	Performance does not meet the standard required for the job. The manager has not met one or more fundamental requirements and/or is achieving results that are well below the performance criteria and indicators in a number of significant areas of responsibility. The manager has failed to demonstrate the commitment or ability to bring performance up to the level expected despite efforts to encourage improvement.	1	Less than 30	No bonus

6.5 Reward for Performance

6.5.1 The performance bonus will be determined by the Municipal Council based on affordability and the stipulations of the Performance Agreement.

6.5.2 A merit reward for performance in addition to the annual reviewed remuneration will be considered by the Council not later than September under the following conditions:

- a) The payment of the reward will be based on the period under review and result of the performance score;
- b) The amount of the reward will not exceed 14% of the Employee's total remuneration, but will be subjected to affordability to the Municipality; and
- c) The performance score will be obtained by using the performance plan.
- d) Where external factors have a negative influence on the result of the performance as scrutinized and recommended by the Performance Audit Committee, the Municipality may grant a reward (see Regulation Number 29089 of 01 August 2006);
- e) The reward if granted, will be paid annually after the compilation of the financial statements and after finalisation of the performance appraisal;
- f) The final outcome of the performance appraisal will determine the reward;

6.6 For purpose of evaluating the annual performance of the Manager Directly Accountable to the Municipal Manager, an Evaluation Panel constituted of the following persons may be established –

- (i) Municipal Manager;
- (ii) Chairperson or the relevant member of the Audit Committee;
- (iii) The Member of the Executive Committee; and
