- 1.2 Section 57(1) (b) of the Systems Act, read with the Contract of Employment concluded between the parties, requires the parties to conclude an annual Performance Agreement. The Parties hereby conclude the Performance Agreement for the period **01st July 2018 to 30th June 2019**.
- 1.3 The parties wish to ensure that they are clear about the goals to be achieved and secure the commitment of the Employee (Municipal Manager) reporting to the Employer (Mayor), to a set of actions that will secure local government policy goals.

2. PURPOSE OF THIS AGREEMENT

The Parties agree that the purposes of this Agreement are to:

- 2.1 comply with the provisions of Section 57(1)(b), s57 (4)(a), s57(4)(b) and s57(5) of the Systems Act;
- 2.2 specify objectives, indicators and targets defined and agreed with the Employee and communicate to the Employee the Employer's expectations of the Employee's performance and accountabilities in alignment with the Integrated Development Plan (IDP), Service Delivery and Budget Implementation Plan (SDBIP) and the budget of the Employer;
- 2.3 specify areas of accountabilities as set out in the performance plan which is an annexure to this performance agreement;
- 2.4 monitor and measure performance of the Employee against the set targeted outputs;
- 2.5 establish a transparent and accountable working relationship between the Parties;
- 2.6 give effect to the Municipality's commitment to a performance-orientated relationship with its Employee in attaining equitable and improved service delivery;
- 2.7 use the Performance Agreement as the basis for assessing whether the Employee has met the performance expectations applicable to his job; and
- 2.8 in the event of outstanding performance, to appropriately reward the Employee.

3. COMMENCEMENT AND DURATION

- 3.1 Regardless of the date of signature hereof, this Agreement shall be deemed to have commenced on the **01st July 2018 ending 30th June 2019**, and, subject to paragraph 3.3, will continue in force until a new Performance Agreement is concluded between the parties as contemplated in paragraph 3.2;
- 3.2 The Parties will review the provisions of this Agreement during June each year. The parties will conclude a new performance agreement that replaces this Agreement at least once a year by not later than July each year as prescribed by s57(2)(a) of the Systems Act.

Handwritten signatures and initials are present at the bottom of the page, including a large signature on the left and several initials (JL, RM, MC, GM) on the right.

- 3.3 This Agreement will terminate on the termination of the Employee's Contract of Employment for any reason as provided for in the Contract of Employment.
- 3.4 The contents of this Agreement may be revised at any time during the above-mentioned period to determine the applicability of the matters agreed upon.
- 3.5 If at any time during the validity of this Agreement the work environment alters (whether as a result of government or Council decision or otherwise) to an extent that the contents of this Agreement are no longer appropriate, the contents shall immediately be revised.

4. PERFORMANCE OBJECTIVES

- 4.1 Annexure "A", the Performance Plan sets out:
- 4.1.1 the performance indicators and targets that must be met by the Employee; and
- 4.1.2 the time frames within which those performance indicators and targets must be met.
- 4.2 The performance indicators and targets reflected in Annexure "A" are set by the Employer in consultation with the Employee, and include key objectives; key performance indicators; target dates and weightings.
- 4.3 The key objectives describe the main tasks that need to be done. The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved. The target dates describe the timeframe in which the work must be achieved. The weightings show the relative importance of the key objectives to each other.
- 4.4 The Employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the Municipality's IDP.
- 4.5 The Municipality will make available to the Employee such subordinate employees as the Employee may reasonably require from time to time to assist him to meet the performance objectives and targets established in terms of this Agreement; provided that it will at all times remain the responsibility of the Employee to ensure that she complies with those performance obligations and targets.
- 4.6 The Employee will at his request be delegated such powers by the Employer as may in the discretion of the Municipality be reasonably required from time to time to enable him to meet the performance objectives and targets established in terms of this Agreement.

5. PERFORMANCE MANAGEMENT SYSTEM

- 5.1 The Employee agrees to participate in the performance management system that the Municipality adopts or introduces for the management of the Municipality and its staff.
- 5.2 The Employee accepts that the purpose of the performance management system will be to provide a comprehensive system with specific performance standards to assist the Municipality, management and municipal staff to perform to the standards required.
- 5.3 The Employer will consult the Employee about the specific performance standards that will be included in the performance management system as applicable to the Employee.

- 5.4 The employee undertakes to actively focus towards the promotion and implementation of the Key Performance Areas (KPA's) (including special projects relevant to the employee's responsibilities) within the local government framework.
- 5.5 The criteria upon which the performance of the employee must be assessed consist of two components, both of which must be contained in the performance agreement. The employee must be assessed against both components, with a weighting of 80:20 allocated to the Key Performance Areas (KPA's) and Core Competency Requirements (CCRs) respectively. Each area of assessment will be weighted and will contribute a specific part to the total score. KPAs covering the main areas of work will account for 80% and CCRs will account for 20% of the final assessment.
- 5.6 The Employee's assessment will be based on his or her performance in terms of the outputs/outcomes (performance indicators) identified as per the performance plan which are linked to the KPA's, which constitute 80% of the overall assessment result as per the weightings agreed to between the employer and employee:

Organizational Key Performance Areas (KPA's)	Weighting
Spatial Rationale	10
Municipal Institutional Development and Transformation	10
Basic Service Delivery	40
Local Economic Development	10
Municipal Financial Viability and Management	20
Good Governance and Public Participation	10
Total	100%

- 5.7 The CCRs will make up the other 20% of the Employee's assessment score. CCRs that are deemed to be most critical for the employee's specific job should be selected from the list below as agreed to be between the Employer and the Employee and must be considered with due regard to the proficiency level agreed to:

6. EVALUATING PERFORMANCE

6.1 Annexure "A" to this Agreement sets out:

6.1.1 the standards and procedures for evaluating the Employee's performance; and

6.1.2 the intervals for the evaluation of the Employee's performance.

6.2 Despite the establishment of agreed intervals for evaluation, the Employer may, in addition, review the Employee's performance at any stage while the Contract of Employment remains in force.

6.3 Personal growth and development needs identified during any performance review discussion must be documented and, where possible, actions agreed.

6.4 The annual performance appraisals must involve:

(a) Assessment of the achievement of results as outlined in the performance plan:

- (i) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.
- (ii) An indicative rating on the five-point scale should be provided for each KPA
- (iii) The applicable assessment rating calculator must then be used to add the scores and calculate a final score.

(b) Assessment of the CCRs

JL *J. Adams 14/05/07* *MC*

G.M *HM*

- (i) Each CCR should be assessed according to the extent to which the specified standards have been met.
- (ii) An indicative rating on the five-point scale should be provided for each CCR
- (iii) This rating should be multiplied by the weighting given to each CCR during the contracting process, to provide a score.
- (iv) The applicable assessment rating calculator must then be used to add the scores and calculate a final CCR score.

Overall Rating

- (i) An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisals.
- (ii) The assessment of the performance of the employee will be based on the following rating scale for KPA's and CCR's (i.e the following table will be used in determining the payment of the reward):

PERFORMANCE APPRAISAL OF KPAs AND CCRs
