2. PURPOSE OF THIS POLICY

The purpose of the Policy is to provide a Framework and structure to support poverty within the Municipality by providing a support programme for the subsidization of basic services to indigent households.

3. THE POLICY OBJECTIVES

The objectives of this Policy will be to ensure the following:

- i. The provision of basic services to the approved indigent/vulnerable members of community in a sustainable manner within the financial and administrative capacity of the Municipality.
- ii. Establish the framework of the identification and management of indigent households including an economic rehabilitation plan where possible.
- iii. The provision of procedures and guidelines for the subsidization of basic services.

4. LEGISLATIVE FRAMEWORK

The Policy is based on the following legislative:

- i. South African Constitution Act, (Act no.108 of 1996), in particular Section 152, 153 and 195
- ii. Municipal Systems Act, (Act 32 of 2000), in particular Section 4,5 and 6.
- iii. Municipal Property Rates Act, (Act 26 of 2004)
- iv. Credit Control and Debt Collection Policy.
- v. Any other relevant Policy or by law as may be passed/amended by Council from time to time.

5. QUALIFICATION CRITERIA

Persons who are claiming indigent status (i.e. an inability to pay assessment rates and service accounts in full) must qualify in terms of the following:

- i. Applicant must be a South African citizen
- ii. Must have a valid South African Identification Document or any other acceptable proof of South African citizenship
- iii. Must be the owner, tenant, occupier/vulnerable person who receive Municipal services.
- iv. An indigent may only derive benefit from one property.
- v. An occupier/vulnerable person must have secured the permission for occupancy from the owner.
- vi. Gross monthly Income equivalent to two Pensioner's Social Grants
- vii. Child-Headed Family without any source of income

The Indigent Committee will assess each case on merit and advise the Municipality accordingly.

6. ASSISTANCE PROCEDURES

6.1. Communication

Ensure that a communication plan is developed and that details of the Indigent Policy are communicated in an early understandable manner to the community served by the Municipality.

6.2. Application/Registration

An applicant must complete an official/Indigent support application form supported by the following original/certified documents:

- i. Identity Document
- ii. Current Municipal Account.
- iii. If unemployed an affidavit declaring lack of proof of income.
- iv. Copy of a Bank Statement where applicable.
- v. Any other grant income received.
- vi. A letter of authority where applicable.

In the absence of required documentation as stated above, acceptable supportive affidavits may be considered.

The signing of the Indigent application form, if approved, will entitle the applicant to an allocation of free basic services as defined in this Strategy.

N.B.As part of the application, the applicant must be willing to give consent for external scans and credit bureau checks and consent to the installation of any form of prepaid meter (e.g. electricity)

6.3. Assessment and Screening of Applicants

After the application/registration process, all information must be verified by the Programme Officer or a person approved by the Municipality as follows:

(a) Indigent Management System Check

The information on the Municipality's Indigent Management System must be checked to determine whether an applicant is already registered within the system as well as to determine dates when these existing applications should be reviewed.

(b) Data Capturing

The Indigent registration data must be captured in an Indigent Management System as per the application forms or as automatically identified on the Municipality's Financial System. The record must then be flagged in the system as being an "application in progress".

(c) Verification – Site Visit

The Indigent Management System must assign an application to a duly appointed Verification Officer to perform an on-site verification. The Verification Officer must then verify the registration application, complete a questionnaire which contains the inventory. The applicant must sign the completed questionnaire. The Verification Officer then assesses the application and recommends that the

applications be considered for further investigation using an External Scan (see (d) below).

This information shall be entered into the Indigent Management System with 72 (seventy two) hours after receiving the information from the Verification Officer.

(d) Verification – External Scans

An external scan of applicants recommended as suitable candidates for an Indigent grant, must be concluded with UIF, SARS, SASSA , Retail and Credit Bureau. The external scan must immediately follow the process after the information from the site visitation has been captured. The information of the external scan must then also be captured in the Indigent Management System within 72 (seventy two) hours after receiving the information from the Verification Officer.

The external scan must be done separately from the site verification.

6.4. Recommendation

Once the verification has been completed, the Indigent Management System must generate a recommendation based on the information captured in the data base. Those applications that qualify for Indigent support in accordance with the system are then to be referred to the IPIMEC for final approval.

6.5. Indigent Committee

Indigent Committee must be established to collect data, capturing of such data, assessment and making recommendations on indigent support to applicants. The Indigent Committee must be established to comprise of Exco Member for Community Services as a Chairperson, Exco Member for Finance and Infrastructure, officials of the Municipality preferably Manager Revenue and Director Community Services.

The Indigent Committee must meet as least once a month. It must consider each recommended application; assess it in terms of the application and any other knowledge or information which members may have in respect of the applicant.

The recommended application must then be captured in the Indigent Management System. The date which the record was submitted to the Indigent Committee should be noted in the system in order to track the status of the application within the process.

In the event that the application is declined, it must be captured as such in the Indigent Management System, and a letter should be sent to the applicant informing them of the disapproval.

In the event of a successful application, the Indigent Management System should be updated to show this, the system should be flagged to indicate that the application has been approved and a letter should be sent to the applicant informing them of approval of their application.

The Indigent Committee will also execute or delegate the following activities:

Monitoring

- i. Ongoing monitoring of the execution of the Policy so as to determine its effectiveness and efficiency.
- ii. Inputs from various affected stake holders inclusive of Councillors, Ward Committee Members and affected admin officials will assist in the monitoring process of the Policy implementation.
