HELD ON: 10- 10-2012

VENUE: RIVERSIDE LODGE

TIME: 13:00

IMATU LEADERSHIP, IMATU MEMBERSHIP PRESENT ALL PROTOCOL OBSERVED.

Ladies and Gentleman allow me to convey our sincerely greetings on behalf of Elias Motsoaledi Local Municipality and the Mayor Cllr. Wendy Matemane, who could not be here with us today as she is attending school at Wits university. We are grateful to have been invited.

We as SALGA the employer body within the local sphere of government are prepared to work with all legally recognized labour representation (Unions) in the sector. Our appeal is that we need to at all times be considerate to the core mandate of the institutions we represent as and when we embark on action be it an industrial action or negotiations because it is not in the benefit of anyone to be rigid and unapproachable to one another.

Ladies and Gentleman let me privilege you on the type of relationship that we have with IMATU ELIAS MOTSOALEDI. It is a mutually beneficial to all, in the sense that union members in their form as employees are aware of what is expected from them, which is commitment and diligence in executing their responsibilities and they can confirm that we also fulfill our end of the bargain to which they can testify.
