	Where;
	
	N_{FO} is the number of tender evaluation points awarded for the financial offer made in accordance with
	5.11.7
	
	N_P is the number of tender evaluation points awarded for preferences claimed in accordance with
	5.11.8;
	
	N_Q is the number of tender evaluation points awarded for quality offered in
	
	accordance with 5.11.9,

	d) recommend the tenderer with the highest number of tender evaluation points for the award of the contract, unless there are compelling and justifiable reasons not to do so.
	Rescore and re-rank all tenderers should there be compelling and justifiable reasons not to recommend the tenderer with the highest number of tender evaluation points and recommend the tenderer with the highest number of tender evaluation points, unless there are compelling and justifiable reasons not to do so, in which case the process set out in this sub clause shall be repeated.
	If two or more tenderers score an equal total number of points, the contract must be awarded to the tenderer that scored the highest points for preference.
	If functionality / quality is, part of the evaluation process and two or more tenderers score equal total points and equal preference points, the contract must be awarded to the tenderer that scored the highest points for functionality/ quality.
	If two or more tenderers score equal total points in all respects, the award must be decided by the drawing of lots.
5.11.6	Scores of financial offers, preferences and quality, as relevant, to be given to two (2) decimal places

The following formula shall be used to calculate the points for price (A): $$A = \left(1 - \frac{P - P_m}{P_m}\right) W_1$$ Where: P is the comparative offer of the tender offer under consideration and P_m is the comparative offer of the most favourable comparative offer W_1 is the maximum number of points for price (in this case 80) In the event that the calculated value is negative, the allocated score shall be 0 (zero).
5.11.8	**Scoring Preferences**

N_P shall be calculated as described below;

Up to 100 minus W_1 tender evaluation points will be awarded to tenderers who submit responsive tenders and who are found to be eligible for the preference claimed.
