4. PERFORMANCE OBJECTIVES

- 4.1 Annexure "A", the Performance Plan sets out:
- 4.1.1 the performance indicators and targets that must be met by the Employee; and

The target dates describe the timeframe in which the work must be achieved. The weightings show the relative importance of the key objectives to each other.
- 4.4 The Employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the Municipality's IDP.
- 4.5 The Municipality will make available to the Employee such subordinate employees as the Employee may reasonably require from time to time to assist him to meet the performance objectives and targets established in terms of this Agreement; provided that it will at all times remain the responsibility of the Employee to ensure that she complies with those performance obligations and targets.

KPAs covering the main areas of work will account for 80% and CCRs will account for 20% of the final assessment.
- MIR M.D
