## **3. COMMENCEMENT AND DURATION**

- 3.1 Regardless of the date of signature hereof, this Agreement shall be deemed to have commenced on the **01<sup>st</sup> July 2026 ending 30<sup>th</sup> June 2027**, and, subject to paragraph 3.3, will continue in force until a new Performance Agreement is concluded between the parties as contemplated in paragraph 3.2;

- 3.3 This Agreement will terminate on the termination of the Employee's Contract of Employment for any reason as provided for in the Contract of Employment.

- 3.4 The contents of this Agreement may be revised at any time during the above-mentioned period to determine the applicability of the matters agreed upon.
- 3.5 If at any time during the validity of this Agreement the work environment alters (whether as a result of government or Council decision or otherwise) to an extent that the contents of this Agreement are no longer appropriate, the contents shall immediately be revised.

#### **4. PERFORMANCE OBJECTIVES**

- 4.1 Annexure "A", the Performance Plan sets out:
- 4.1.1 the performance indicators and targets that must be met by the Employee; and
- 4.1.2 the time frames within which those performance indicators and targets must be met.
- 4.2 The performance indicators and targets reflected in Annexure "A" are set by the Employer in consultation with the Employee, and include key objectives; key performance indicators; target dates and weightings.
- 4.3 The key objectives describe the main tasks that need to be done. The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved. The target dates describe the timeframe in which the work must be achieved. The weightings show the relative importance of the key objectives to each other.
- 4.4 The Employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the Municipality's IDP.
- 4.5 The Municipality will make available to the Employee such subordinate employees as the Employee may reasonably require from time to time to assist him to meet the performance objectives and targets established in terms of this Agreement; provided that it will at all times remain the responsibility of the Employee to ensure that he complies with those performance obligations and targets.
- 4.6 The Employee will at his request be delegated such powers by the Employer as may in the discretion of the Municipality be reasonably required from time to time to enable him to meet the performance objectives and targets established in terms of this Agreement.

#### **5. PERFORMANCE MANAGEMENT SYSTEM**

- 5.1 The Employee agrees to participate in the performance management system that the Municipality adopts or introduces for the management of the Municipality and its staff.

KPAs covering the main areas of work will account for 80% and CCRs will account for 20% of the final assessment.

- 5.6 The Employee's assessment will be based on his or her performance in terms of the outputs/outcomes (performance indicators) identified as per the performance plan which are linked to the KPA's, which constitute 80% of the overall assessment result as per the weightings agreed to between the employer and employee:

## **6. EVALUATING PERFORMANCE**

6.1 Annexure "A" to this Agreement sets out:

6.1.1 the standards and procedures for evaluating the Employee's performance; and

6.1.2 the intervals for the evaluation of the Employee's performance.

6.2 Despite the establishment of agreed intervals for evaluation, the Employer may, in addition, review the Employee's performance at any stage while the Contract of Employment remains in force.

6.3 Personal growth and development needs identified during any performance review discussion must be documented and, where possible, actions agreed.

6.4 The annual performance appraisals must involve:

(a) Assessment of the achievement of results as outlined in the performance plan:

(i) Each KPA should be assessed according to the extent to which the specified standards or performance indicators have been met and with due regard to ad hoc tasks that had to be performed under the KPA.

(ii) An indicative rating on the five-point scale should be provided for each KPA

(iii) The applicable assessment rating calculator must then be used to add the scores and calculate a final score.

(b) Assessment of the CCRs

(i) Each CCR should be assessed according to the extent to which the specified standards have been met.

(ii) An indicative rating on the five-point scale should be provided for each CCR

(iii) This rating should be multiplied by the weighting given to each CCR during the contracting process, to provide a score.

(iv) The applicable assessment rating calculator must then be used to add the scores and calculate a final CCR score.

### Overall Rating

(i) An overall rating is calculated by using the applicable assessment-rating calculator. Such overall rating represents the outcome of the performance appraisals.

(ii) The assessment of the performance of the employee will be based on the following rating scale for KPA's and CCR's (i.e the following table will be used in determining the payment of the reward):

**PERFORMANCE APPRAISAL OF KPAs AND CCRs**
