

ELIAS MOTSOLEDI LOCAL MUNICIPALITY

ANNUAL BUDGET POLICY

Original Council Approval		Amended
Date of Council Approval	26 May 2024	
Resolution Number	M23/24-44	
Effective Date	01 July 2024	

PREAMBLE

In terms of chapter 4, section 16 of the Municipal Finance Act, 2003 (Act No. 56 of 2003) a municipal council must for each financial year, by way of annual budgets, appropriate money from its Revenue fund for the requirements of the Municipality. The annual budget of a Municipality is both a legislative requirement in terms of the Municipal Finance Management Act, 2003, as well as a tool for planning and control. The financial year of local authorities covers the period 01 July of each year to 30 June of the following year.

A Municipality must, in terms of chapter 5, section 25(1) of the Local Government Municipal System Act, 2000 (Act no. 32 of 2000), undertake developmentally oriented planning. It must adopt a single, inclusive and strategic plan in the form of an Integrated Development Plan (IDP). This must form the policy framework and general basis on which annual budgets must be based.

1. PURPOSE

- 1.1. To set out the budgeting principles which the council will follow in preparing each annual budget, as well as the responsibilities of the Chief Financial Officer in compiling such budget.
- 1.2. To ensure that the Elias Motsoaledi Local Municipality only incurs expenditure in accordance with its approved budget.
- 1.3. To assist the Elias Motsoaledi Local Municipality in the management of its income and expenditure so as to achieve its goals as set out in its policy documents.

2. PRINCIPLES

- 2.1. The council shall adopt three –year budget statements for the next financial year’s budget. The budgets statements shall be the focal point of the budget, and shall be linked to the IDP. The Budget and IDP review process are to run concurrently.
- 2.2. Except in so far as capital projects represents a contractual commitment to the Municipality extending over more than one financial year, the annual capital budget shall be prepared from a zero base.
- 2.3. The Capital Budget component of the annual or adjustments budget shall only be approved by the Council if it has been properly balanced, that is, if the sources of finance which are realistically envisaged to fund the budget equal the proposed capital expenses.
- 2.4. Before approving the capital budget component of the annual or adjustment budget, the Council shall consider the impact on the present and future operating budgets of the municipality in relation to:
 - a) Finance charges to be incurred on external loans;
 - b) Depreciation of fixed asset;
 - c) Maintenance of fixed asset; and
 - d) Any other ordinary operation expenses associated with any items on such capital budget.
- 2.5. In addition, the Council shall consider the likely impact of such operation expenses-net of any revenues expected to be generated by such item-on future property rates and service tariffs.

- 2.6. The Council shall establish an asset financing reserve for the purpose of financing capital projects and the acquisition of capital assets. Such reserve shall be established from the following sources of revenue:
- a) Inappropriate cash –backed surpluses to the extent that such surpluses are not required for operational purposes;
 - b) Interests on the investments of the asset financing receive, appropriated in terms of the banking and investments policy;
 - c) Further amounts appropriated as contributions in each annual or adjustment budget; and
 - d) Net gains on the sale for fixed assets in terms of the fixed assets management and accounting policy.
- 2.7. Any inappropriate surplus from previous financial year, shall not be used to balance any annual or adjustments budget, but shall be appropriated, as far as it is not required to finance the payment of operating creditors or (provided it is cash backed) to the Municipality ‘asset financing reserve.
- 2.8. The municipality shall not budget for a deficit and should also ensure that revenue projections in the budget are realistic taking into account actual collection levels.
- 2.9. Expenses may only be incurred in terms of the approved annual budget (or adjustments budget) and within the limits of the amounts appropriated for each vote in the approved budget.
- 2.10. When considering the approved annual budget, the council shall consider the impact that the proposed increases in rates and services tariffs will have on the monthly municipal accounts of households in the municipal area. The impact of such increases shall be assessed on the basis of a fair sample of randomly selected accounts.
- 2.11. Finance charges payable by the municipality shall be apportioned between departments or votes on the basis of the proportion at the last balance sheet date of the carrying value of the fixed assets belonging to such department or vote to the aggregate carrying value of all fixed assets in the Municipality. However, where it is the council ‘s policy to raise external loans only for the financing of fixed assets in specified council services, finance charges shall be charged to or apportioned only between the departments or votes relating to such services.
- 2.12. Depreciation and finance charges together shall not exceed 20% of the aggregate expenses budgeted for in the operating budget component of each annual or adjustment budget and shall be charged or apportioned only between the departments or vote to which the asset relate.

- 2.13. The allocation of interest earned on the Municipality 's investments shall be budgeted for in terms of the investment policy.
- 2.14. The municipality shall adequately provide in each annual and adjustment budget for the maintenance of its fixed assets in accordance with its fixed assets management and accounting policy. 8% of the property; plant and equipment shall be set aside for such maintenance.
- 2.15. In preparing its revenue budget, the municipality shall strive to maintain the aggregate revenues from property rates at not less than 25% of the aggregate revenues budgeted for.
- 2.16. Notwithstanding the preceding principle, the budget for salaries, allowances and salaries-related benefits shall be separately prepared, it should range from 25% and 40% of operating budget component of the annual or adjustment budget. For purpose of applying this principle, the remuneration of political office bearers and other councilor shall be included in this limit.
- 2.17. The municipality shall establish and maintain a provision for accrued leave entitlements equal to 100% of the accrued leave entitlement of officials as at 30 June of each financial year, and shall budget appropriately for the contributions to such provision in each annual and adjustments budget.
- 2.18. Each Director shall submit his/her business plan for the ensuing year to the finance department at February of each year accompanied by general expenditure projections with total budget not exceeding the limits set by the Chief Financial Officer.
- 2.19. In approving the budget, the Council shall approve the allocations made per ~~function~~ vote as prescribed by the National Treasury. The Council may however require more detailed supporting documentation in regard to the functional allocations. In addition, the resolution shall include any other matter prescribed by this policy.
- 2.20. The Head of the Departments (Directors) service or function to which budget vote relates shall justify the allocation of the aggregate for such vote to the various line items within the vote to the portfolio committee responsible for the department, service or function concerned and shall provide the relevant portfolio committee with quarterly performance indicators and service targets pertain to the budget.
- 2.21. The Chief Financial Officer shall ensure that the cost of indigent relief is separately reflected in the appropriate votes.
- 2.22. The MTREF budget shall at all times be within the framework of the Municipal Integrated Development Plan

2.23. The municipality shall prepare a three-year budget (medium term revenue and expenditure framework (MTREF)) that would be reviewed annually and approved by Council.

7.8. SECTION 22: PUBLICATION OF ANNUAL BUDGETS

- 7.8.1. Immediately after the annual budget has been tabled, the Municipal Manager must make this budget-related documentation public, and must invite to the local community to submit representations in regard to such budget.
- 7.8.2 The Municipal Manager must also immediately submit the tabled budget in both printed and electronic formats to the National Treasury, the Provincial Treasury, and in either format to prescribed national and provincial or national organs of state and other municipalities affected by the budget.

7.9 CONSULTATIONS ON TABLED BUDGETS

- 7.9.1 After the budget has been tabled, the Council of the Municipality must consider the views of the local community, the National Treasury, the Provincial Treasury, and any provincial or national organs of state or municipalities which have made submissions on the budget.
- 7.9.2 After considering these views, the Council must give the Mayor the opportunity to respond to the submissions received, and – if necessary – revise the budget and table the relevant amendments for consideration by the Council.
- 7.9.3 The National Treasury may issue guidelines on the manner in which the Council must process the annual budget, including guidelines on the formation of a committee of the Council to consider the budget and hold public hearings. Such guidelines shall be binding only if they are adopted by the Council.

7.10 SECTION 24: APPROVAL OF ANNUAL BUDGETS

- 7.10.1 The Council must consider approval of the budget at least thirty days before the start of the financial year to which such budget relates.
- 7.10.2 The budget must be approved before the start of such financial year, and the resolutions and performance objectives referred to in Section 17 must simultaneously be adopted.

7.11 SECTION 25: FAILURE TO APPROVE BUDGET BEFORE THE START OF THE BUDGET YEAR

- 7.11.1 If a municipal council fails to approve an annual budget, including revenue raising measures necessary to give effect to the budget, the Council must reconsider the budget and again vote on the budget or on an amended version thereof within seven days of the council meeting that failed to approve the budget.
- 7.11.2 This process must be repeated until a budget, including revenue-raising measures necessary to give effect to the budget, is approved.
- 7.11.3 If a municipality has not approved an annual budget, including revenue-raising measures necessary to give effect to the budget, by the first day of the budget year the Mayor must immediately request intervention by the Provincial MEC for local government.

7.12 SECTION 26: CONSEQUENCES OF FAILURE TO APPROVE BUDGET BEFORE THE START OF THE BUDGET YEAR

- 7.12.1 The Provincial Executive must intervene in any municipality which has not approved its annual budget by the start of the relevant financial year. Such intervention must entail the taking of any appropriate steps to ensure a budget is approved, including dissolving the Council and appointing an administrator until a new Council can be elected, and approving a temporary budget until such new Council can adopt a permanent budget for the Municipality.

7.12.2 The section also imposes restrictions on what may be spent in terms of such temporary budget.

7.13. SECTION 27: DUTIES OF THE MAYOR IN THE EVENT HE BECOMES AWARE OF NON-COMPLIANCE WITH BUDGETING REQUIREMENTS.

7.13.1 This Section sets out the duties of the Mayor to report any impending non-compliance and the general consequences of non-compliance with the requirements of the various foregoing prescriptions.

- (a) The Mayor of a Municipality must, upon becoming aware of any impending non-compliance by the Municipality of any provisions of this Act or any other legislation pertaining to the tabling or approval of an annual budget or compulsory consultation processes, inform the MEC for Finance in the province, in writing, of such impending non-compliance.
- (b) If the impending non-compliance pertains to the time provision, except section 16(1), the MEC for Finance may, on application by the Mayor and on good cause shown extend any time limit or deadline contained in that provision, provided that no such extension may compromise compliance with section 16 (1). An MEC for Finance must in exercising the powers contained in this subsection promptly notify the National Treasury, in writing, of any extensions given in terms of this subsection, together with the name of the Municipality and the reasons.
- (c) The Mayor of a municipality must, upon becoming aware of any actual non-compliance by the Municipality of a provision of this Chapter inform the Council, the MEC for Finance and the National Treasury, in writing of such non-compliance; and any remedial or corrective measures the Municipality intends to implement.
- (d) Non-compliance by a municipality with a provision of this Chapter relating to the budget process or a provision in any legislation relating to the approval of a budget-related policy, does not affect the validity of an annual or adjustments budget.
- (e) The Provincial executive may intervene in terms of the appropriate provision of section 139 of the constitution, 1996, if a municipality cannot or does not comply with the provision of this Chapter, including a provision relating to process.

7.14 SECTION 28: MUNICIPAL ADJUSTMENT BUDGETS

7.14.1 A municipality may revise its annual budget by means of an adjustments budget.

7.14.2 However, a municipality must promptly adjust its budgeted revenues and expenses if a material under-collection of revenues arises or is apparent.

7.14.3 A municipality may appropriate additional revenues which have become available but only to revise or accelerate spending programmes already budgeted for.

- 7.14.4 A municipality may in such adjustments budget, and within the prescribed framework, authorized unforeseen and unavoidable expenses on the recommendation of the Mayor.
- 7.14.5 A municipality may authorize the utilization of projected savings on any vote towards spending under another vote.
- 7.14.6 Municipalities may also authorize the spending of funds unspent at the end of the previous financial year, where such under-spending could not reasonably have been foreseen at the time the annual budget was approved by the Council.
- 7.14.7 Only the mayor of the Municipality may table an adjustments budget. Such budget may be tabled whenever necessary, but limitations on the timing and frequency of such tabling may be prescribed.
- 7.14.8 An adjustments budget must contain all of the following:
- (a) an explanation of how the adjustments affect the approved annual budget;
 - (b) appropriate motivations for material adjustments; and
 - (c) an explanation of the impact of any increased spending on the current and future annual budgets.
- 7.14.9 Municipal taxes and tariffs may not be increased during a financial year except if required in terms of a financial recovery plan.

7.15 SECTION 29: UNFORESEEN AND UNAVOIDABLE EXPENDITURE

- 7.15.1 With regard to unforeseen and unavoidable expenses, the following apply:
- (a) the Mayor may authorize such expenses in an emergency or other exceptional circumstances;
 - (b) the municipality may not exceed a prescribed percentage of the approved annual budget in respect of such unforeseen and unavoidable expenses;
 - (c) these expenses must be reported by the mayor to the next council meeting;
 - (d) the expenses must be appropriated in an adjustments budget; and
 - (e) the adjustments budget must be passed within sixty days after the expenses were incurred.

7.16 SECTION 30: UNSPENT FUNDS

- 7.16.1 The appropriation of funds in an annual or adjustments budgets will lapse to the extent that they are unspent by the end of the relevant budget year, but except for the expenses referred to above in section 16.

7.17 SECTION 31: SHIFTING OF FUNDS BETWEEN MULTI-YEAR APPROPRIATIONS

7.17.1 If the funds for a capital project have appropriated for more than one financial year (see Section 16) these expenses may exceed the appropriation for any one financial year, provided:

- (a) the increase is not more than 20% of that financial year's allocation;
- (b) the increase is funded in the next financial year's appropriation;
- (c) the Municipal manager certifies that actual revenues are expected to exceed budgeted revenues, and that enough funds will be available to finance such increased appropriation without incurring further borrowing beyond the annual budget limit;
- (d) the Mayor gives prior written approval for such increased appropriation; and
- (e) all the above documentation is provided to the Auditor-General.

7.18 SECTION 32: UNAUTHORISED, IRREGULAR OR FRUITLESS AND WASTEFULL EXPENDITURE

7.18.1 The Municipality may authorize previously unauthorized expenses in an adjustments budget thus approving such expenditure.

7.19 SECTION 33: CONTRACTS HAVING FUTURE BUDGETARY IMPLICATIONS

7.19.1 Contacts extending beyond one financial year may be entered into by a municipality, but if such contract extends beyond the three years covered in the annual budget, the Municipality may enter into such contract only if:

- a) The Municipal manager, at least sixty days before the council meeting at which the contract is to be approved, has made the contract public, with an information statement summarizing the Municipality's obligations, and inviting the local community and other interested parties to submit comments or make representations.
- b) The Municipal manager solicits the views and recommendations of the National Treasury and Provincial Treasury in respect of such contract, as well as those of the National Department of Provincial and Local Government, and any national department concerned with water, sanitation or electricity, if the contract relates to any of these services.
- c) The council has taken into account the projected financial obligations in regard to such contract, the impact on tariffs, and the views and comments received from all the foregoing parties.

- d) The Council adopts a resolution determining that the Municipality will secure a significant capital investment or derives a significant financial or economic benefit from the contract, and approves the entire contract exactly as it is to be executed.

7.19.2 A contract for purposes of this Section shall exclude any contract relating to the incurring of long-term debt by the Municipality, employment contracts, contracts for categories of goods as may be prescribed, or contracts where the value of the contracts is less than a prescribed value or a prescribed percentage of the annual budget.

7.20 SECTION 42: PRICE INCREASES OF BULK RESOURCES FOR PROVISION OF MUNICIPAL SERVICES

7.20.1 National and provincial organs of state which supply water, electricity or any other bulk resources to municipalities or municipal entities for the provision of municipal services may increase the price of such resources only after doing all the following:

- (a) The proposed increase must be submitted to the organ's executive authority and (where legislation so requires) to any regulatory agency for approval.
- (b) At least forty days prior to the above submission the National Treasury and Organized local government must be invited to submit written comments on the proposed increase.
- (c) The executive authority, after taking into account the comments received, must table the price increase in Parliament or the Provincial Legislature, as the case may be, with a full motivation and certain other prescribed explanatory documentation.

7.20.2 Unless the Minister of Finance otherwise directs, a price increase must be tabled on or before 15 March to take effect from 1 July of the same year. If it is tabled after 15 March it may take effect from 1 July of the following year.

7.21 SECTION 43: APPLICABILITY OF TAX AND TARIFF CAPPING ON MUNICIPALITIES

7.21.1 If a National or Provincial organ of state is legislatively empowered to determine the upper limits of any municipal tax or tariff, such determination takes effect on the date specified in the determination, but provided that, unless the Minister of Finance otherwise directs:
