Local Municipality

## EASTER BLESSING AND ROAD SAFETY MESSAGE BY THE MAYOR .

As we approach the season of celebrating the death and glorious resurrection of our Lord and Saviour, Jesus Christ, On behalf of the Council and administration of the Elias Motsoaledi Local Municipality, I wish all residents of our Municipality a blessed Easter weekend. I trust that you will enjoy this time of reflection with your family and be bolstered with a spiritual revival.

As we continue to pray for peace, friendship, visiting our beloved ones, and travelling to our holiday destinations, let us continue to use our roads in a responsible manner.

South African society continues to be ravaged and devastated by road accidents that account for the loss of precious life. This is due to tiredness, reckless and negligent driving, speed and alcohol. The loss of one life is a one too many. We appeal to all roads users, both pedestrians and motorists to use our roads responsibly.

As we all gather during this Easter holiday, we urge you to pray for safety and stability in our country. We pray for peaceful, free and fair elections on May 08, stability after the elections and a government that continues to place the needs of our people first

We wish you safe and happy Easter holidays.
