

“Our National Commitment to the Future, for Freedom Lives in Every Generation”,

HAPPY YOUTH DAY

YOUTH DAY MESSAGE FROM THE MAYOR

On this Youth Day, under the theme “RESET @50 THE FUTURE CALLS” – **Our National Commitment to the Future for Freedom Lives in Every Generation**, we honour the past, celebrate the present, and recognise the strength and potential of today’s youth.

This commemoration also reaffirms Government’s commitment to addressing the challenges facing young people, including unemployment, poverty, inequality, access to education and skills development, mental health, gender-based violence, and social exclusion.

Let us continue building a future rooted in hope, unity, and progress.
